LUCAS HAWTHORNE

WRITER | CREATOR | CLIENT-FACING COMMUNICATOR

WRITING & CONTENT EXPERIENCE

WRITER – PERSONAL DEVELOPMENT WEBSITE

2015 – Present | Current site active since 2023

[LucasHawthorne.com](https://lucashawthorne.com)

- Authored 80+ long-form articles on mindset, motivation, and personal development.
- Built a fully organic global readership across 100+ countries through SEO, search visibility, and consistent publishing.
- Developed strong writing and communication skills through consistent content creation.
- Ranked multiple articles on page one of Google through search-focused writing and audience-driven content.
- Established a positive digital footprint with verified search presence tied to my name and work.
- Magazine-published writer, with work featured in [Tango](#).

TECHNICAL PROJECTS & BACKGROUND

FRONTEND DEVELOPER – PROJECT-BASED EXPERIENCE

August 2025 – Present

All of my deployed projects can be found in my portfolio (see [contact link](#)).

- [Ultraverse NFT Marketplace](#): Built a responsive React marketplace interface using API-driven NFT, author, and collection data; focused on clean layout, content organization, and user-friendly browsing. **React : HTML : JavaScript : CSS**
- [Netflix Clone](#): Built a dynamic movie catalog featuring trailer previews using Firebase and TMDB API; emphasized user flow and content organization. **React : HTML : JavaScript : CSS : Firebase**
- [React Book Library](#): Designed intuitive browsing, sorting, and rating UI for a large API-driven book catalog. **React : HTML : JavaScript : CSS**

PROFESSIONAL EXPERIENCE

VARIOUS CLIENT-FACING WORKPLACE ROLES

2017 – Present

Chipotle Mexican Grill – Kitchen Manager

- Led fast-paced food service operations, coordinated team responsibilities, maintained quality standards, and resolved customer-facing issues under pressure.

Target – Guest Advocate / Service & Engagement

- Delivered support in a high-volume retail environment, handled service issues, supported store operations, and communicated clearly across teams.

Numerous Gyms – Sales & Reception

- Built rapport with members and prospects, explained membership options, supported front-desk operations, and contributed to a welcoming client experience.
